and satisfactory claim for property appraised at \$500,000 or less is submitted to NOAA, the matter will be referred to the U.S. Department of Justice to institute *in rem* proceedings in the appropriate U.S. District Court.

### § 904.505 Summary sale.

(a) In view of the perishable nature of fish, any person authorized to enforce a statute administered by NOAA may, as authorized by law, sell or cause to be sold, and any person may purchase, for not less than its domestic fair market value, fish seized under such statute.

(b) Any person purchasing fish subject to this section must deliver the proceeds of the sale to a person authorized to enforce a statute administered by NOAA immediately upon request of such authorized person. Anyone who does not so deliver the proceeds may be subject to penalties under the applicable statute or statutes.

(c) NOAA will give Notice of the Sale as provided under § 904.3, to the owner or consignee, if known or easily ascertainable, or to any other party that the facts of record indicate has an interest in the seized fish, unless the owner or consignee or other interested party has otherwise been personally notified. Notice will be sent either prior to the sale, or as soon thereafter as practicable.

(d) The proceeds of the sale, after deducting any reasonable costs of the sale, will be subject to any administrative or judicial proceedings in the same manner as the seized fish would have been, including an action *in rem* for the forfeiture of the proceeds. Pending disposition of such proceedings, the proceeds will, as appropriate, either be deposited in a NOAA suspense account or submitted to the appropriate court.

(e) Seizure and sale of fish is without prejudice to any other remedy or sanction authorized by law.

### § 904.506 Remission of forfeiture and restoration of proceeds of sale.

(a) *Application of this section.* (1) This section establishes procedures for filing with NOAA a petition for relief from forfeitures incurred, or alleged to have been incurred, and from potential forfeiture of seized property, under any statute administered by NOAA that au-

thorizes the remission or mitigation of forfeitures.

(2) Although NOAA may properly consider a petition for remission or mitigation of forfeiture and restoration of proceeds of sale along with other consequences of a violation, the remission or mitigation of a forfeiture and restoration of proceeds is not dispositive of any criminal charge filed, civil penalty assessed, or permit sanction proposed, unless NOAA expressly so states. Remission or mitigation of forfeiture and restoration of proceeds is in the nature of executive clemency and is granted in the sole discretion of NOAA only when consistent with the purposes of the particular statute involved and this section.

(3) If no petition is timely filed, or if the petition is denied, prior to depositing the proceeds NOAA may use the proceeds of sale to reimburse the U.S. Government for any costs that by law may be paid from such sums.

(4) If NOAA remits the forfeiture and the forfeited property has not been sold, then restoration may be conditioned upon payment of any applicable costs as defined in this subpart.

(b) *Petition for relief from forfeiture.* (1) Any person claiming an interest in any property which has been or may be administratively forfeited under the provisions of this section may, at any time after seizure of the property, but no later than 90 days after the date of forfeiture, petition the Assistant General Counsel for Enforcement and Litigation, NOAA/GCEL, 8484 Georgia Avenue, Suite 400, Silver Spring, Maryland 20910, for a remission or mitigation of the forfeiture and restoration of the proceeds of such sale, or such part thereof as may be claimed by the petitioner.

(2) The petition need not be in any particular form, but must set forth the following:

- (i) A description of the property seized;
- (ii) The date and place of the seizure;
- (iii) The petitioner's interest in the property, supported as appropriate by bills of sale, contracts, mortgages, or other satisfactory evidence;
